

PRESENTS:

Nuno Scarf Wet Felting Class

Come join us and have a great time learning how to make your own Alpaca Nuno felted scarf. Learn the wet felting technique that will create a luxurious Alpaca scarf using silk fabric and colorful yarns to accent the fiber base. You will fall in love with the beautiful piece of wearable art you create and it will truly be the envy of all your friends! (They make great gifts too)

Nuno felting is a Japanese fabric felting technique that melds loose fibres, usually wool or alpaca, into silk fabric pieces. This process creates a beautiful lightweight felt that is very soft as well as pleasing to the eye.
